### Commemorative Plaques

The Kokoda Track Memorial Walkway runs along the shores of Brays Bay from Concord Repatriation General Hospital to Rhodes station.

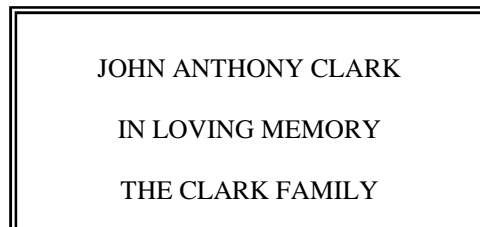

The Walkway is a lasting memorial to Australian veterans who served in World War II.

Construction of the project commenced in November 1995. Concord Repatriation General Hospital has invited clubs, associations, family and friends to become involved in the project by dedicating a plaque to an individual.

Individual memorial plaques are approximately 20cm x 15cm, made of fine-cast bronze. It will show the veteran's name, rank, number and unit.

You may wish to add a memoriam up to 100 letters.
